II. Basis for Jurisdiction

p. 1 of 11

- D. 1. Officer Andy Massey responded to my initial call to the police and took me to an unoccupied sub station that was dark inside with no other vehicles present, which should have not be procedure due to the fact he ran my information and I had no warrants.
2. After fleeing from Officer Andy Massey I surrendered in the presence of Officers Z. Childress, M. Hoylew, R. Martin, as well as A. Massey of Hendersonville city police department (were on active duty) were they all used excessive force after I was already handcuffed.
3. When I was being processed in Henderson County Detention C.O's Steve Green; and Kenny McGraw were on duty when they drug me through the lobby naked and denied me phone calls.
4. After being booked in no officer informed me they served pork in this facility. Then several greivances went ignored for weeks even months while in custody at Henderson County Detention.
5. Dennis Maxwell is employed by Henderson County Public Defenders office when he violated my due process, and right to speedy trial rights when he refused to get me a bond reduction; or a probable cause hearing still as of now.

IV. Statement of Claim

p. 4-11

A. On 11/2/2018 at 10:45pm

1. On 11/2/2018 I called Hendersonville city police from the Denny's on Four Seasons. Stating I had got into an altercation with fellow co-workers and was out of town working and needed a ride to the bus station to get back home. Officer Andy Massey responded; ran my information and seen I had "no" outstanding warrants. So he took me to a substation where no lights were on, or no police cars were present and made sexual innuendo's towards me causing me to ask him to take me back to Denny's, him refusing leading me to flee from him do to his actions.

2. After running from OFC. Massey and being in fear of my life I surrendered in the presence of Officers A. Massey, Z. Childress, M. Hoyle, and R. Martin handcuffed me. While in handcuffs putting a knee in the back of my head, (while I cried out and screamed I couldn't breathe) pulling down my pants and inserting foreign objects inside me, as well as tasing me until I lost Conscience. After I woke up in the back seat of Officer Massey's unit I had urinated and defecated on myself and in the backseat I started screaming and he pulled over and beat me and tased me asleep again.

B.

1. On 11/2/2018 being woken up in a holding cell on my face in handcuffs I was stripped naked, kicked, beaten and tased again. So I was left in the room for approx. 1 hr, urinating and defecating on myself again unable to walk due to my equilibrium being off from being tased. I was dragged through the halls and lobby while completely naked by Henderson County employees Steve Green, and Kenny McGraw. And forced to shower while they watched me. After this officer A. Massey forced me to give my blood & DNA (which should be suppressed due to his firing from force; as well as overhearsing me) to EMT's but refusing me medical attention. Stating no nurse was on

IV. Statement Claim' (cont'd)

duty. So then I was refused phone calls myself only to have officer Green of Henderson county detention to call my mom (Patricia Hodges) and my aunt (Georgia Bouie) for me. They told them they "washed" my clothes then. My first appearance 11/3/2018 I stated in court room they refused me calls, and the judge told them to allow me calls. Which the CO's still tried to deny me by intimidation; surrounding and threatening me, until Sgt. Blackwell allowed me 2 calls after almost 24 hrs of my arrest.

2. Approximately around 11/4/2018 I was served a sausage biscuit breakfast tray and immediately knew it was pork. Never did any one ever inform that this facility serves pork. So when I asked the CO on duty about the process of getting a no pork/ Kolsher diet; I was mocked for being a "muslim" (I am not a muslim, I practice the Hebrew faith and have followed the Leviticus 11 dietary law). So I then wrote medical /chaplin for a Kolsher diet. And it took about 2 1/2 weeks to be put on a no pork diet. So when the chaplin Mr. Honeycutt delivered me a Catholic Bible (similar to Jerusalem edition I study) I inquired about a Kolsher diet because no pork isn't feasible because of yeast as well and eating out of trays that had pork in them. Chaplin Honeycutt informed me this facility would never approve or "Acknowledge" a Kolsher diet.

3. 11/7/2018, 11/9/2018 I wrote an grievance on a busted blood vessel in my eye, a severally swollen Knee, and swollen right side of my face, and as of then I still haven't received any medical attention. So I was seen by a nurse and gave me visine and anti-biotic for a "boil" on my face (It was swollen from beating). Then I informed a nurse by the name of Libby that I wanted to file a PREA against the officer who processed me in and stripped me naked, drug me through the lobby naked and watched me shower. She then told me

IV. Statement Claim (cont'd)

p. 4-11

me a PREA officer would come speak to me. So on 11/10/2018, 11/13/2018 I wrote other grievances complaining of my swollen knee and it being difficult for me to walk, and I needed X-rays. Warren Bradley replied he would forward my concerns to medical but I never seen them from this grievance which records should confirm. Around this time I had requested to speak to mental health about my mental state due to the trauma I'd experience. This is when I also notified Mrs. Sally from family preservation of the misconduct of my arresting officers as well as PREA of intake officers. And she said she'd have 1 PREA officer speak with me. Still to this day I haven't spoken with any PREA officer.

4. 1/31/2019 I wrote a request to notarized a letter I wanted to send to The State Bar to complain about my public defender Dennis Maxwell. So a Mrs. Ashleigh Thomas told me she'd get to me when she could. So after waiting almost a month, and writing a grievance 2/28/2019 I finally got the notary. So 3/5/2019 I put in a grievance for requesting 3 different request from the Law Library that never came however I'd had the tracking number (Hennec-19-0205080623), that Mrs. Thomas says she never received. So my request went ignored until 3/14/2019; which is when I informed them I had a tracking number. So then it was ignored again until 3/19/2019, were Sgt. Helton and Mrs. Thomas said it would be taken care of I received my packet finally 3/22/2019 already opened with out me being present with a tracking # last digits 0001. Which is well past 3-5 business days its suppose to take. When I receive this paper work it has how to file a motion to suppress in the state of Georgia, not North Carolina. I still have a copy of all of this for evidence. Lastly they're requiring me to leave open all mail not legal so they can read it that I'm sending to my family. Which my family says it takes them 2-3

weeks to receive my letters. And it takes 1 1/2 to 2 weeks receive letters from my brother which he sends priority/next day.

5. My last claim concerns my public defender Dennis Maxwell. When I first met Mr. Maxwell I informed him of all the accusations I'm claiming now. He noticed I had scars all over my body and my eye was blood red inside my pupil, which he told my daughters mother right after our visit. I then asked him for a speedy trial and a bond reduction. Which he told me and Ms. Lisa Epps my daughters mother he didn't think I'd get it; basically conceding without trying. So after having my Nov. 21, 2018, Dec. 11, 2018, and Dec. 13, 2018, I emailed him right before my Jan. 22, 2019 date from the jail kiosk that I wanted my probable cause hearing asap as well as a bond reduction. All these attempts to contact him went unanswered. As well as my family's attempts to contact him. So right before my Feb. 12, 2019 court date I found out my arresting officer Andy Massey was arrested and resigned from the police force. So when I asked him to file a motion to dismiss or suppress the original report by officer Massey. Mr. Maxwell never did and then when my next court date came around March 5, 2019 that's when my family looked online and I had Officers M. Hoylew, R. Martin, and Z. Childress on my case, who was not previously on it. So when I made Mr. Maxwell aware of this he told me it's normal for several officers to write reports, as well as continuing my court once again until April. 9, 2019. So as of today I've still haven't had my probable cause hearing which is suppose to happen within 15 business days.

I asked to get a letter notarized January 31, 2019 and still haven't had a chance to get it done. I was trying to send legal mail out before my courtdate.

Dear Sgt. Helton,

I would like to speak to you about the racial bias I feel goes on in this facility with some staff workers. I have witnessed several examples of it in the last few months I've been here. For instance regarding sporting events if we ask to watch basketball a lot of CO's give us the run around or plainly dont turn it there until half way through or almost over. Yesterday we were asked "does everyone want to watch basketball", which everone had already agreed to due to it being NCAA tournament. However since the start of Nascar we watch the pre race as well as the post race every Sunday, without even asking for a channel change. Now lastly I have received several clothing items with swastika's drawn on them, which I feel is very offensive and should be immediately disregarded. And having to walk by cells and see these symbols on the walls and floors. Now I was asked long ago to wash off walls of my cell that had flowers drawn on it prior to me being housed, and i have witnessed the same CO who asked me to walk by these symbols and not say a word. Thank you.
